Mobilization/demobilization costs will be split up when larger quantities are brought in for multiply DTI customers. DTI will make every effort to minimize shipping costs when possible. The option to pickup equipment is also offered to our customers with a small fee for handling.

All rates are for time out, not time used. Rates are based per 24 hour period from (am to am) or (pm to pm). Customer is responsible for all electrical hook-ups, all fuel for the equipment, and a forklift if one is required at the job site. There is a 3 day minimum on all rentals.

Weekly or monthly rates are available depending on equipment type. Prices reflected above are per day on a daily, weekly, or monthly basis. Weekly is defined as consecutive rental on equipment rented for 7 days or more. Monthly is defined as consecutive rental on equipment rented for 30 days or more. A 12 % Damage waiver will be added without proof of insurance. Ask your DTI Representative for more info. Pricing is subject to change according to equipment availability.
